A message from UNC REX Healthcare President, Steve Burriss

Dear Friends and Supporters,
This is the 2020 REX Hospital Open, an official event of the PGA TOUR. This exciting event is a tradition in Raleigh and represents so much more than world-class golf. It is an opportunity to promote your brand, entertain clients, network with local businesses or play a round with a potential PGA TOUR winner. Thank you for your consideration and we look forward to seeing you in late May.

Sincerely,
Steve Burriss
President, UNC REX Healthcare

A message from our 2020 Tournament Chairman, Brad King

The REX Hospital Open is a Raleigh tradition that has grown into one of the top professional sporting events in NC. I am asking for your support for the tournament and your assistance in bringing all of the great things this event does for our community through the Rex Healthcare Foundation. Stitch has been a sponsor/partner for three years and our company has enjoyed the partnership tremendously. This event allows us to showcase our brand and entertain clients all while giving back to charity. In 2020 the goal is to hit \$10M in total charity impact over 33 years and we need your support in reaching this milestone. I look forward to seeing you in May!

Brad King
CEO, Stitch Golf

Tournament proceeds benefit
the Rex Healthcare Foundation.
